

Neil Harvey: Managing Director

IFAA's Managing Director Neil Harvey, has almost 30 years of senior management experience in providing administration and management services to superannuation funds in Australia and overseas. During the 10 years prior to establishing IFAA, Neil was a senior executive at Jacques Martin Industry, an administrator of multi-employer superannuation funds.

Murray Smith: Chief Operating Officer

Murray was appointed as Chief Operating Officer in July 2016. Murray brings to this key role extensive senior management experience, gained in Australia and internationally, across a wide range of sectors (resources, transport, engineering and financial services). Prior to joining IFAA, Murray has held senior executive positions with Aurizon, Suncorp, Theiss and BHP. Murray's experience is characterised by strategy design and execution and the leadership of significant corporate/business development initiatives. Murray holds a Bachelor of Agricultural Economics (University of Sydney) and a Graduate Diploma of Applied Finance and Investment (Securities Institute of Australia); he is also a Graduate of the Australian Institute of Company Directors.

David Woodard: General Manager, Operational Services

David has been General Manager, Operational Services since 2012. David joined IFAA as a Project Manager in 2005, before becoming the Manager of Financial Services. Prior to joining IFAA, David spent two years with Australian Unity as a Fund Accountant, responsible for unlisted property Trusts and Managed Investment Schemes; and five years at AMP Asset Management in the UK. He holds a Bachelor of Financial Services from Bournemouth University, RG 146, ASFA 105 and is CPA qualified.

Andrew Griffioen: Acting Head of Technology

Andrew rejoined IFAA in the beginning of 2017, after previously working for the Company from 2006-2012. In between Andrew held the positions of IT Operations Manager, Head of Business Development and ICT Strategy Advisor, where he was responsible for working with clients to provide advice and direction on alignment of their technology investment with the strategic direction of their businesses. Andrew holds a Diploma of Management.

Greg Gear: Manager, Projects & Energy Super

Greg is manager of the IFAA Projects and IT Operations teams and additionally manages IFAA's relationship with Energy Super. Greg brings more than 17 years of operational and management experience in the superannuation industry, with previous tenure at CitiStreet Australia, and subsequently Sunsuper. He holds a Bachelor of Business (Accounting and Finance), Diploma of Financial Services (Financial Planning), Advanced Diploma of Financial Services (Superannuation Management) and RG146.

Cathy Connellan: Manager, Trustee Services – QIEC & Club Super

Cathy joined IFAA in 2001. Cathy is responsible for providing trustee management services to QIEC and Club Super. Prior to joining IFAA, Cathy spent 4 years with Colonial in the Managed Fund Superannuation area and 18 years with Jacques Martin (now Superpartners) in the industry superannuation area. She holds a Commerce Certificate, an Advanced Certificate in Insurance, Associate Diploma in Business Management, RG146 and ASFA 200.

Adam Somerville: Manager, Financial Services

Adam joined IFAA in July 2016 and is responsible for the accounting, reporting, compliance and taxation activities of the client superannuation funds and investment vehicles. Adam has over 20 years accounting and management experience, gained across a range of publicly listed to smaller private organisations, both in Australia and the UK. Most recently he was CFO for a private equity investment company and previously held senior finance roles at organisations including QIC Global Real Estate and AMP Capital Investors. He holds a Bachelor of Commerce (The University of Queensland) and is CPA qualified.

Carolyn Barnes: Manager, IT Development & Maintenance

Carolyn is responsible for IT Development and Maintenance. Prior to joining IFAA, Carolyn was responsible for the Information Technology department at ESI Super for eight years and has spent a further 14 years in various IT roles within the financial sector at Suncorp, AMP, MLC, Prudential (UK) and National Australia Financial Management. She holds a Bachelor of Arts and a Master of Business Administration majoring in Information Systems Management.

Sarah Walker: Manager, Administration Services

Sarah is manager of IFAA's Administration Department, including the Customer Service Centre, document management, and our core transactional processing teams. Sarah joined IFAA in July 2013 as a Team Leader and brings more than 10 years of operational and leadership experience across a range of industries, including telecommunications, media and general insurance. She is currently studying a Diploma of Superannuation and is RG146 accredited.
