

Executive Management Team**Neil Harvey: Managing Director**

IFAA's Managing Director Neil Harvey, has almost 30 years of senior management experience in providing administration and management services to superannuation funds in Australia and overseas. During the 10 years prior to establishing IFAA, Neil was a senior executive at Jacques Martin Industry, an administrator of multi-employer superannuation funds.

**David Woodard: General Manager, Operational Services**

David has been General Manager, Operational Services since 2012. David joined IFAA as a Project Manager in 2005, before becoming the Manager of Financial Services. Prior to joining IFAA, David spent two years with Australian Unity as a Fund Accountant, responsible for unlisted property Trusts and Managed Investment Schemes; and five years at AMP Asset Management in the UK. He holds a Bachelor of Financial Services from Bournemouth University, RG146, ASFA 105 and is CPA qualified.

**Cathy Connellan: Manager, Trustee Services – QIEC & Club Super**

Cathy joined IFAA in 2001. Cathy is responsible for providing trustee management services to QIEC and Club Super. Prior to joining IFAA, Cathy spent 4 years with Colonial in the Managed Fund Superannuation area and 18 years with Jacques Martin (now Superpartners) in the industry superannuation area. She holds a Commerce Certificate, an Advanced Certificate in Insurance, Associate Diploma in Business Management, RG146 and ASFA 200.

**Andrew Griffioen: Acting Head of Technology**

Andrew rejoined IFAA in the beginning of 2017, after previously working for the Company from 2006-2012. In between Andrew held the positions of IT Operations Manager, Head of Business Development and ICT Strategy Advisor, where he was responsible for working with clients to provide advice and direction on alignment of their technology investment with the strategic direction of their businesses. Andrew holds a Diploma of Management.

Executive Management Team

Carolyn Barnes: Manager, IT Development & Maintenance

Carolyn is responsible for IT Development and Maintenance. Prior to joining IFAA, Carolyn was responsible for the Information Technology department at ESI Super for eight years and has spent a further 14 years in various IT roles within the financial sector at Suncorp, AMP, MLC, Prudential (UK) and National Australia Financial Management. She holds a Bachelor of Arts and a Master of Business Administration majoring in Information Systems Management.

**Adam Somerville: Manager, Financial Services**

Adam joined IFAA in July 2016 and is responsible for the accounting, reporting, compliance and taxation activities of the client superannuation funds and investment vehicles. Adam has over 20 years accounting and management experience, gained across a range of publicly listed to smaller private organisations, both in Australia and the UK. Most recently he was CFO for a private equity investment company and previously held senior finance roles at organisations including QIC Global Real Estate and AMP Capital Investors. He holds a Bachelor of Commerce (The University of Queensland) and is CPA qualified.

**Sarah Walker: Manager, Administration Services**

Sarah is manager of IFAA's Administration Department, including the Customer Service Centre, document management, and our core transactional processing teams, in addition to managing IFAA's relationship with Energy Super. Sarah joined IFAA in July 2013 as a Team Leader and brings more than 10 years of operational and leadership experience across a range of industries, including telecommunications, media and general insurance. She is currently studying a Diploma of Superannuation and is RG146 accredited.

**Clinton Nicholas – Head of Transformation and Portfolio Management Office**

Clinton has over 10 years' experience in industry superannuation administration experience in leading client projects and in technology roles. In 2018 Clinton was appointed as the Head of Transformation & Portfolio Management Office responsible for IFAA's portfolio of projects and strategic initiatives. During his time at Independent Fund Administrators & Advisors he has managed a variety of client projects covering insurance and investment products, regulatory change, member statements, digital member engagement and system integration projects. Clinton holds a Master of Business Administration from the University of Queensland, Graduate Certificate in Project Management and Bachelor's degrees in Information Technology & Communications Design. Clinton is RG146 accredited.

**Alison Clifford – Trustee Services Manager, Club Super**

Alison joined IFAA in 2009 and is responsible for providing Trustee Management Services to Club Super. Her extensive financial management experience gained both in Australia and Europe has enabled her to bring a wealth of diverse knowledge to her current role where she works closely with the Fund's Board of Directors to execute the daily operations of the fund whilst also implementing the strategic aims to increase the engaged member base. Alison holds a Bachelor of Commerce and is CPA qualified.

Skye King – Trustee Services Manager, QIEC Super

Skye joined IFAA in 2007 and is responsible for providing Trustee Management Services to QIEC Super. Skye is currently responsible for overseeing and monitoring operations; developing, implementing and monitoring fund strategic objectives; and monitoring and implementing fund investments. Within this role, Skye also has experience and accountability within other key disciplines such as marketing, risk, audit, compliance and insurance. Skye holds a Bachelor of Business, Bachelor of Law, Diploma in Superannuation, is a Fellow of ASFA and sits on the Queensland ASFA Emerging Leaders Committee. In 2017, Skye completed the IFAA Leadership Development Program and was also the youngest and first female to be awarded the PIMCO FEAL Scholarship to attend the PIMCO Educational Institute in California. Skye is currently completing a Graduate Diploma in Legal Studies.
