Independent Fund Administrators & Advisers Pty Ltd Executive Management Team

Alison Clifford – Trustee Services Manager, Club Super

Alison joined IFAA in 2009 and is responsible for providing Trustee Management Services to Club Super. Alison has worked in various financial services roles including superannuation, accounting and financial management over the past 18 years. Her extensive financial management experience gained both in Australia and the UK has enabled her to bring a wealth of diverse knowledge, expertise and leadership experience to her current role. She works closely with Club Super's Board of Directors and IFAA senior management to implement the strategic objectives of the Fund and execute the daily operations required to deliver successful retirement outcomes to members. In this role, Alison works closely with the Fund's Marketing Committees in the development and delivery of their retention and growth strategies. Coupled with this she is responsible for the overall management of the IFAA Insurance Services team, focusing on delivery of an exceptional member experience. Alison holds a Bachelor of Commerce from The University of Queensland, a Diploma in Superannuation and is RG146 accredited.
